Seeley Genealogical Society Holds Reunion in Grand Rapids

Story by Kathie Olsen, SGS President

The Seeley Genealogical Society convened its biennial meeting at the Hilton Grand Rapids in Grand Rapids, Mich., Thursday, Aug. 8, 2013, through Sunday, Aug. 13, 2013. Sixty-three attendees from 16 states registered, and at least 70 people attended one or more events.

Registration began at 8:30 Thursday morning. At the same time the Hospitality Room was opened for members to display documents and artifacts and visit with one another. The SGS Board of Directors, including both elected and appointed officers, met at 9 a.m. The minutes of this meeting will be in the next newsletter. Excused were Marshall Seelye, Margaret Petersen, and Bob Seeley, all of whom were unable to attend.

Various officers reported on their assignments. Several issues of importance were discussed and voted on, one of which was a recommendation to the general membership that the 2015 reunion be held in Abilene, Kan.

In the afternoon, attendees were invited to participate in two different tours. One group toured the Heritage Hill area of Grand Rapids and visited the restored Mayer May home, designed by Frank Lloyd Wright. The other group visited the Gerald R. Ford Presidential Library and Museum.

In the evening, attendees gathered for dinner at the hotel, followed by a presentation by Chris Havner, Linda Crocker and Kathie Olsen on using the Internet to search and locate genealogical information.

On Friday morning, attendees again participated in tours in Grand Rapids. One group toured the Frederick Meijer Gardens and Sculpture Park, while the other visited the Grand Rapids Public Library to tour its special collections section; this group was also able to use that collection for personal research.

The opening session of the reunion was brought to order that afternoon at 1:00 p.m. by President Kathie Olsen. The reunion committee, consisting of Marion Hileman, Bill Hileman, Sue Ann Craven, Linda Crocker, Roeberta Shingledecker (who had fallen and was unable to

Regrettably, Richard Speer, who had nominated Grand Rapids as this year's site and volunteered to serve on the reunion committee, passed away in 2012. Conference attendees who had not attended previous reunions were introduced

SGS President's Report

The 2013 Seeley Genealogical Society reunion in Grand Rapids is now a "Grand" memory! I was happy to have the opportunity to meet with all who were able to attend. We had 63 registrants from 16 states. This was the first reunion for 25 of the 70 people who attended at least one session; I hope it will also be the first of many for them. I thank all of those who helped to make the reunion a success. It is marvelous to learn more about Seeley family members wherever they settled and lived, and it is fun to see cousins enjoying time with each other. Our speakers were terrific; we learned much from them. Their biographies were printed in the last newsletter; if you did not previously read them, I suggest that you read them now. We were lucky to have each of them address our group. If you were unable to attend this year's reunion, plan now to attend in 2015 when we will celebrate the fiftieth anniversary of the Seeley Genealogical Society in Abilene, Kan.

I also encourage you to order a copy of the reunion souvenir book even if you did not attend the reunion. It will contain information about the reunion as well as about the Society since the last reunion, including the updated Constitution and By-Laws. To order a copy, send a check by Dec. 1, 2013, to me in the amount of \$30, payable to SGS. My address is on page 15. I thank Paul Taylor for leading this endeavor.

I am pleased to report that the SGS Newsletter was one of two family association newsletters recognized in that category in the newsletter competition of the National Genealogical Society (NGS), earning an "Honorable Mention." I congratulate Paul Taylor on this achievement. We appreciate all his hard work and great ideas. His work, however, would be easier if members sent him articles about Seeley histories or genealogies, stories of member or family accomplishments, or pictures of people they know are Seeleys or believe may be part of the Seeley family.

Unfortunately, there is a downward trend in both SGS membership and fiscal matters. All members of SGS should see themselves as recruiters of new members! You know your relatives better than anyone else. Explain the benefits of SGS membership to them and invite them to join the Society. A membership form appears on page 15 of this newsletter. Some members have passed away and many are old. We need to identify new, younger members, willing and able to help do the work of SGS. The society has been functioning for almost fifty years; I hope it will still be functioning in fifty years to come.

The current financial situation in our country is hampering the financial situation of SGS. SGS life memberships were developed with the idea that the principal would be maintained, while the interest would be used to fund the Society. Unfortunately, with the cost of printing and postage going up and little to no interest being paid by banks, the principal in the SGS operating account is dwindling. We did receive a very generous bequest from Robert Seeley Johnson and his wife, Evelyn Johnson, in the amount of \$88,919.16; however, the Executive Board had previously decided that bequest monies should be kept in a separate fund to be used for research purposes only. George and Sally Seeley are looking for a safe way to invest and thus increase these funds. If you have any ideas on this topic, please contact them.

If you are a life member, you might consider contributing to the Society's operating fund. Indeed, anyone can contribute to this fund. We are in the process of applying to become a non-profit organization. Once our application is approved, all donations will be tax deductible.

Understanding that not everyone is in a position to donate funds, I urge all members to consider receiving the newsletter via email instead of hard copy. You will get the same great newsletter but at little cost to the Society. If you would like to receive the newsletter electronically, please let Lynda Simmons know your correct email address; also tell her when your email address changes. Newsletter costs, with printing and postage, average \$2.43 per copy or \$9.72 per member per year. With our dues at only \$10 per year, little remains from annual dues paid by each SGS non-life member to apply to our operating expenses.

I certainly appreciate the elected and appointed officers of SGS. We will miss both Marshall Seelye and Mary Palley, and we thank them for their efforts on behalf of SGS. We welcome Jesse Crisler as Second Vice-President and Camille Seeley Bell as Secretary, and we thank them for their willingness to serve. This is an organization of volunteers, and we welcome all who join us.

and welcomed.

Tim Gleisner, History and Special Collections Supervisor of the Grand Rapids Public Library, then gave the keynote address, titled "A Brief History of the Settlement of Michigan and Grand Rapids." A few members also gave presentations on various Seeley families who had settled in Michigan, while several others shared information concerning their ancestors. (Two groups of cousins unexpectedly connected during this discussion.)

Friday evening's dinner was followed by presentations by Walt Seelye and Jesse Crisler. Walt, a firefighter, titled his talk "Firefighting in Colonial Times." Assisted by his daughter, Lil Crisler Maughan, Jesse reported that his talk, "Seeleys: A Sure Foundation," began as a Google search of structures named for Seeleys; the addition of several slides made it a very interesting presentation.

On Saturday morning, the membership and business meeting was held. The minutes of this meeting will be in the next newsletter. George Seeley, Parliamentarian, announced that there was a quorum. Chris Havnar, Secretary, read the minutes of the last membership meeting, held at the 2011 reunion in Elmira, N.Y., and they were approved as read.

Sally Seeley, Treasurer, then gave the Treasurer's report. Lynda Simmons, who with Lou Ann Crisler served on the Auditing Committee, stated that the Treasurer's books were organized, accurate, and in order. Accordingly, the membership voted to accept the Treasurer's Report.

Kathie Olsen introduced the current officers and thanked them for their service to SGS. She then reported on the state of the Society and its many accomplishments over the last two years:

- The website has been expanded in every category.
- The DNA Project has more participants.
- The Seelye Research Center is in need of an Emergency Response Plan which is being considered.

The 2013-2015 SGS Board of Directors were elected featuring Kathie Olsen (President), Paul Taylor (1st Vice-President), Jesse S. Crisler (2nd Vice-President), Camille Seeley Bell (Secretary), Sally Seeley (Treasurer), Linda Crocker (Chief Genealogist), Ruthetta Hansen (Director), Wesley Waring (Director), and Terry Tietjens (Director).

- The 8th Generation Descendant Index numbers 14,338 individuals.
- The SGS Newsletter was selected as a runner-up in the family association category of the National Genealogical Society competition.
- Eight noteworthy newsletters have been published.
- The Awards and Recognition Committee will honor hardworking volunteers during the last evening meeting of the reunion.
- The Ancestor File database of Seeley Surnames has grown to 31,319 individuals and the Other Surname database to 13,672.
- The 2013 Reunion was successfully planned.

Despite these notable achievements, SGS is experiencing a downward trend in both membership numbers and financial stability. Lynda Simmons, Membership Chair, introduced the slogan, "Every SGS Member is a Recruiter," suggesting that current members talk to their Seeley cousins about the benefits of SGS membership and ask them to join. Members know their own families best.

The Constitution and By-Laws Committee, consisting of George Seeley, Mary Palley, Linda Crocker, Jim Seeley, Richard Speer (deceased), and Kathie Olsen, had proposed two changes to the Constitution and By-Laws. George reported that in order for SGS to apply for non-profit status, the Constitution must include a provision for distributing its funds, should the Society be dissolved. There also must be wording indicating the educational nature of SGS to strengthen its application for non-profit status. George also introduced a re-writing of the role of the Publications Editor to add other publications besides the newsletter and use parallel wording for the periodic nature of the newsletter. These proposed changes have been published in two previous newsletters. The vote on the changes dealing with non-profit status was unanimous, while that on the role of the Publications Editor had one dissenting vote.

SGS Reunion (continued from page 3)

Publications Editor and First Vice-President Paul Taylor then demonstrated the SGS Facebook page. He encouraged all to "like" the page and invite Seeley cousins to do the same. He announced that for privacy reasons the CD will no longer include

Ancestor Files. He also announced that the Six Generation and Seven Generation volumes are out of print. Reunion souvenir books from Salt Lake City, Utah (2009), and Elmira, N.Y. (2011), are on sale at this reunion as well as the Generations One through Five volume. Pre-orders for Grand Rapids souvenir books will be taken during the reunion at a cost of \$25; after the reunion, they will sell for \$30.

The Nominating and Elections Committee, comprised of Linda Crocker, Camille Seeley Bell, and Marshall Seelye, presented a slate of officers to be voted on by the membership: Kathie Olsen, President; Paul Taylor, 1st Vice-President; Jesse Crisler, 2nd Vice-President; Camille Seeley Bell, Secretary; Sally Seeley, Treasurer; Linda Crocker, Chief Genealogist; and Terry Tietjens, Ruthetta Seelye Hansen, Wesley Waring, Directors. There being no further nominations, all nominees were unanimously elected.

The Executive Board, after having received two nominations for the 2015 reunion, recommended Abilene as the site for the next reunion and requested a vote on that recommendation. The vote was unanimous in the affirmative.

After the membership meeting, a group photo, displayed on pages 8 and 9 of this newsletter was taken by Paul Taylor.

Members then moved to the hotel patio for the Robert Seeley and Evelyn Johnson Memorial Picnic. Fifty-seven attendees were served, making it the largest gathering of the reunion. The meal was lovely but the sun was very bright!

Following lunch, members enjoyed a presentation by the reunion's honored guest, Carol Seeley Scott, author of *The Eel Catcher's Travels: Robert Seeley, 1602-1667*. Assisted by her grandson, Benjamin Dionysis, Carol showed slides and discussed the topic, "Family History: Fact or Fiction," sharing examples from her own Seeley ancestry of both fact and fiction and answering questions concerning her book, after which she autographed copies of it.

Next, the 2013-2015 SGS Board of Directors met. Minutes of this meeting will be in the next newsletter. The Board agreed that Kathie Olsen should proceed with the application process for non-profit status, now that the Constitution and By-Laws comply with IRS regulations.

The Board also discussed preliminary plans for the 2015 Reunion in Abilene. Those appointed to serve on the 2015 reunion committee include

Kathie Olsen, chair, Jesse and Lou Ann Crisler, Terry Tietjens, Walt and Marie Seelye, Jim Seeley, Linda Crocker, Chris Havnar, Camille Seeley Bell, Thera Seeley Clark, Ivey Harris, Ruthetta Seelye Hansen, and Sue Ann Craven. A planning meeting will be held on Thursday, July 17, 2014, at 1 p.m. in the Seelye Research Center (SRC) in Abilene. Anyone desiring to help should get in touch with Kathie Olsen. There are many exciting possibilities to consider in connection with this reunion, since it will mark the fiftieth anniversary, the Golden Jubilee, of SGS. Terry Tietjens will check on Abilene events. The reunion will probably be held in July 2015.

The Board then discussed SGS publications. A committee was appointed to address possible changes to the newsletter. Members of this committee include Paul Taylor, chair, Wesley Waring, Jesse Crisler, Linda Crocker, and Kathie Olsen. Terry Tietjens will contact a printer in

Abilene for a cost estimate to print the Generation Six and Seven volumes from paper masters in the same format as they are now with changes in an appendix. The possibility of an e-book printing will also be pursued. Previous newsletters will be added to the CD.

Jim Seeley challenged Board members to recruit at least one new member each year. If every member is a recruiter, then Board members should be super recruiters.

The question of whether SGS gives away too many benefits was posed. Linda Crocker will request that those submitting a query join SGS. Lynda Simmons will get in touch with libraries receiving the newsletter to ask whether they still want to receive it, and, if so, would they be willing to receive it by email. A committee was formed of Jim Seeley, Walt Seelye, Linda Crocker, Wesley Waring, and Kathie Olsen to work together to prioritize research goals.

George Seeley was asked to look for the best possible investments/CDs that would allow SGS to accrue the highest interest on bequest funds.

SRC Librarian Pam Turner requested that board members start a dialogue regarding the purpose and future of the SRC.

The next meeting of the Board will occur on Friday, July 18, 2014, at 1 p.m., at which time Board members and 2015 reunion committee members can provide service to both the SRC and the grounds of the Seelye Mansion.

On Saturday evening, SGS members assembled to hear Jack Dempsey, author of *Michigan and the Civil War: A Great and Bloody Sacrifice*, who primarily discussed Sarah Emma Edmonds Seelye, who fought in the War using the alias of Franklin Thompson. At the conclusion of a very interesting presentation he answered questions and autographed copies of his book.

Following this talk, the Awards and Recognition Committee presented plaques to outgoing officers Marshall Seelye and Mary Palley. Jim Seeley then presented the first biennial Outstanding SGS Volunteer Award to Chris and Jerry Havnar for their many contributions to SGS.

The newly elected SGS Executive Board was then installed by Jim Seeley.

Karen Hadley next sang a marvelous birthday yodel for Carol Seeley Scott in celebration of her 92nd birthday, followed by birthday cake and visiting during the remainder of the evening.

The last event of this year's reunion was a Sunday morning farewell breakfast at the hotel.

2013 SGS Reunion Souvenir Books For Sale

Once again, SGS will compile and produce a Souvenir Book commemorating the Seeley Genealogical Society's 2013 International Reunion. The book's contents will be similar to those featuring the past five reunions and will include many pictures of attendees, accompanied by the names of those in the photos to help members learn their cousins' names.

It will also include a dedication page; a list of SGS members known to have recently passed away; reunion highlights; a description of tours taken; copies of presentations given; a copy of the updated SGS Constitution and By-Laws; a copy of the Treasurer's report; a list of past reunion locations and officers elected at them; a list of reunion attendees; a reunion group photo; and much more.

The book is designed to inform members who were unable to attend the reunion of what took place at Grand Rapids AND serve as a souvenir for those who did attend. It is also one part of our initiative to document SGS.

If you have not already ordered a copy, please send a check, payable to SGS, to Kathie Olsen (her address is on page 15) for \$30 US per copy no later than Dec, 1, 2013. We anticipate that the books will be mailed early next year. To give you an idea of the book's probable size, the 2011 Reunion Souvenir Book was 94 pages.

The SGS Reunion Souvenir book is a great gift idea, but only one printing is planned, so order yours today!

Query Updates

Update to Query 1305-3 Re William James Seeley, b. 1854 NY

This query began with an obituary of a grandson of William James and Katherine

McDonald Seeley. Jesse Crisler (jesse_crisler@byu.edu) responded with a bit more information he found on familysearch.org: William James Seeley was b. 5 Mar 1854 in New York, d. 30 Sep 1910 in Fresno, CA; Katherine McDonald, his wife, was b. 10 May 1869 in New York, d. 26 Jan 1918. Her parents are Thomas McDonald and Mary Haggerty, and she had a sister, Mary Ann McDonald, b. 6 Mar 1863 in NY, d. 17 Jun 1950 in Hartsel, Park, CO, md. James Gearon in 1884. William James Seeley and Katherine McDonald, besides Milton James Seeley, had a younger daughter, Marjorie Katherine Seeley, b. 9 Jan 1904 in Fresno, d. 22 Oct 1982 in Pueblo, Pueblo, CO, md. James McDonald Garson or Gearon (1898-1970). Jesse guesses this might have been her first cousin, son of her mother's sister, given McDonald as a middle name and the first name of James, the same as Mary Ann McDonald's husband's name. Marjorie and James had at least three children, all now dead. The email of the person who submitted information on the McDonald family is Sharon McCurry (snarley51@hotmail.com). Jesse wonders if there's more to learn about these Seeleys from McDonald descendants.

I contacted Sharon who said that her husband's grandmother was the sister of Milton Seeley, son of William James, but she had no more information on William.

Based on what Jesse located I found

1920 census Antelope, Kimball, NE

- Geason, Mary, age 52, widow b. NY, NY, IRE, farmer
- Geason, Thomas, age 31, b. NE, IRE, NY
- Seeley, Margaret, niece age 14, b. CA, US, NY

New Queries

Query 1308-1 Submitted by Martha Sachs (m-arth-a@hotmail.com)

Martha writes "I am seeking a death date for Thomas

T. Seelye, M.D., who lived in Cleveland, OH, and was b. 1818, Danbury, CT. I also want the birth and death dates for his daughters, Mary and Alice, photos of Mary and Alice, and I would like to know if Dr. Seelye's personal papers and/or records of his Cleveland Water Cure Establishment are collected anywhere?

SGS Response: I received this Query just a few days before the SGS reunion—too busy to respond immediately, but these names tend to stick around in my brain. One night at the reunion Jesse Crisler did a presentation on places and structures named after Seeleys of all spellings. One of the historic sites he mentioned was the Seelye-Middleton House in Crescent City, FL, "built as the winter home for Dr. Thomas T. and Finette Seelye of Cleveland, OH." Those names rang a bell for me, so when I returned to my room I quickly fired up my computer and checked the SGS Ancestor File database. There were several Thomas Taylor Seelyes, but the one married to Finette was the first, b. in 1818 in Fairfield Co., CT. Finette Scott was his 2nd wife. This Thomas is the son of Seth Seelye, SGS# 2056, and his wife, Abigail Taylor. We did not have a death place for Thomas in the database, but I quickly found his grave when I looked for him in Crescent City: Find A Grave Memorial #61227432, Thomas T. Seelye, b. 1818, d. 1890, buried Palmetto Cemetery, Crescent City, Putnam Co., FL.

There are two obituaries for Thomas's daughter Mary F Seelye on the SGS website: <http://www.seeley-society.net/obits-ye/obit-MaryFSeelye.html>.

I found a grave record for her sister Alice Seelye Rossi at Find a Grave: Find A Grave Memorial#110198329. Alice is buried in Rome, Italy with her husband, Egisto.

From the census:

1900 census Mount Vernon, Westchester, NY

- Rossi, Egisto, b. Aug 1852, IT, parents b. IT, agt, Italian imigra., married 14 yr to
- Rossi, Alice S, b. Apr. 1852, OH, parents b. CT, 4 ch, 4 living
- Rossi, Paul A, b. Oct 1887, Guido M b. Oct 1890, Mary M b. Apr 1894, Alice S b. May 1895, all b. IT, IT, OH
- Marcella, Carlotta, servant b. Mar 1863 IT, IT, IT They all came to the US in 1895.

I didn't find any photos of Mary or Alice or information about Dr Seelye's personal papers or his Water Cure Establishment. If you can find these items please contact me and Martha.

Query 1308-2 Submitted by Donn Osborn (mydream@frontier.com)

Donn contacted SGS trying to locate any information on his mother, born Allie Marcella Seeley at Henry Ford Hospital in Detroit, Michigan, on 24 Jun 1938. On her birth certificate her father is listed as William Mearill Seeley. His birth date is not listed; instead, it says that at the time of his daughter's birth he was 39 years old. His wife, Donn's grandmother, was Jessie Pearl Dew. She also has no birth date listed, just her age at the time of Allie's birth, which was 27. According to the birth certificate, William Seeley was born in New York, but it doesn't say where. Jessie

Now we have at least two myseries:

1. Mearill William/Merrill William/William Merrill obituary says he is the son of George and Agnes Seeley. They appear in both the 1900 and 1910 censuses, but Merrill is not with them, and the 4 children Agness claims to have are all accounted for in census records.
2. It looks as though William Mearill Seeley and Elizabeth Corlew were married and had Viola (or they were not md???); then she married Raymond Boyd and had 5 or 6 children; then she married (or remarried) William in 1939. But the 1940 census indicates that Elizabeth is still married to Raymond Boyd, and the children are all surnamed Boyd except for Viola. Meanwhile, William married Jessie Dew and had Allie and then left her to go back to Elizabeth. Both Elizabeth and Merrill claim all the children are theirs in both obituaries, but Merrill never mentions Allie, his dau. by Jessie Dew.

If anyone has information on Merrill Seeley and how he might be related to these children and to George and Agnes Seeley please get in touch with us.

Query 1308-3 Submitted by Lawrence R Seeley (seeleydude@earthlink.net)

Listed on the SGS website as a Vietnam Veteran, Larry is a descendant of SGS# 2530, Charles Seelye. Another person on that list is Capt. Douglas Milton Seeley who is shown MIA. A few months ago Larry attended a family seminar hosted by the Joint Accounting Office for POW/MIA Families. He gave them a DNA sample at that time. He was told that Capt. Seeley's case had been activated and progress made. He was asked by the case

manager about the relationship he had to Capt. Seeley, or whether there were any other close relatives. Larry knows that Capt. Seeley was an only child, born 25 Jan 1943 in Marietta, Washington, OH, that he was married to Paula, and that both his parents (John Philip Seeley and Dorothy Evelyn Swaney Seeley) are deceased. Larry wants to know his relationship to Capt. Seeley.

SGS Response: Chris Havnar and I have already done research on Capt. Seeley's extended family, starting from various obituaries, including that of his mother, Dorothy Evelyn Seeley: "BRADENTON, Fla.—Dorothy Evelyn Seeley, 93, passed away on Wednesday, Oct. 14, 2009, at Blake Medical Center in Bradenton, Fla. She was born in Marietta, on May 3, 1916, to the late George Arthur and Martha Forshey Swaney.

"Dorothy graduated from Marietta High School in 1934. She married John Phillip Seeley on July 3, 1938. He passed away on April 21, 1970, in Chandler, Ariz. While she resided in Marietta, she worked as a dispatcher for the Washington County Sheriff's Office and as a stenographer for a local attorney. Bradenton, Fla., was her home for the past 36 years.

"Besides her parents and husband, she was preceded in death by her son, Air Force Capt. Douglas M. Seeley, missing in action from the Vietnam War; as well as four brothers, Everett, Glen, Delbert and Floyd Swaney; and one sister, Violet Swaney.

"Dorothy is survived by a brother, Gerald Swaney and his wife, Eileen, of Marietta; one sister, Thelma Lowther of Lakewood, Colo.; a sister-in-law, Jane Swaney of Marietta; and her daughter-in-law, Paula Seeley of Chandler, Ariz. Fourteen nieces and nephews also survive her. Funeral services will be held at 11 a.m. on Thursday (Oct. 22, 2009) at Hadley Funeral Home, Reno Chapel, where family will receive friends one hour prior to services. Burial will follow in Valley Cemetery.
